VI. The "proper officer" to whom processes shall be transmitted for service under Section 72 of the Code of Civil Procedure, 1882, shall be—

(a) The Central Nazir, in respect of all processes issued by any Court for service within the jurisdiction of a Munsiff located at such station;

(b) The Deputy Nazir, at a station where there is no Central Nazir, in respect of processes issued by any Court for service within the jurisdiction of the Court or Courts at that station.

VII. The processes of each Court shall be numbered consecutively, as soon as all batta-charges have been paid, and shall be entered in a register in the Form A annexed hereto and issued for service in the order of receipt, precedence however being given to urgent processes issued as per Rule XIX and Note 3 to Rule XXV.

The amount of batta to be paid must be notified on each process sent for service, but shall be retained with the Court Nazir.

VIII. At stations where there is a Central Nazir, at 3 p.m. daily, the chief ministerial officer of each Court shall sign the Register A, and transmit it to the Central Nazir, together with the processes to be served or executed by him, which have been prepared up to that hour. Such processes prepared after 3 p.m. shall be sent to the Nazir not later than 11-30 the following morning, together with the register signed as above.

After verifying the entries relating to himself, the Central Nazir shall return the register to the Court concerned with his counter-signature.

This rule shall also apply to processes to be served or executed by the Deputy Nazirs.

IX. One hour before the Post time for each outlying Sub-Judge's or Munsiff's station, the chief ministerial officer of each superior Court shall have a list prepared in the Form A of all processes to be served or executed within the jurisdiction of such outlying Court, and such list shall be forthwith sent by Post on Mysore Government Service to the Central or Deputy Nazir of that station, together with all such processes.

X. On receiving any batch of processes, the Central or Deputy Nazir, as the case may be, shall consecutively number and enter them in a register, which shall be kept by himself or under his superintendence in the Form B annexed hereto.

XI. He shall thereupon arrange for the distribution of the processes; and, after the necessary entries have been made in the Roster (Form C hereto annexed), shall deliver them to the several process-servers. As far as possible, all processes other than warrants of arrest, for persons residing in the same neighbourhood shall be served by one process-server and not by several, whether issued by the same or by different Courts.

Every Central or Deputy Nazir shall be held directly responsible for the proper service and return in due time of the processes.

The process-servers should maintain a Register in Form D.

XII. Every day, at such hours as the Munsiff may fix, having regard (when necessary) to the hours at which the Post closes, the Central or Deputy Nazir shall enter in a despatch book or list the processes to be returned to each Court giving them their original Court numbers, and shall transmit them to the chief ministerial officer, who shall sign and return the despatch book or list.

XIII. It shall be the duty of the chief ministerial officer to have the processes returned and the batta amounts disbursed hereon entered in the appropriate columns of his Register A.

and to bring to the notice of the presiding Judge, any unusual delay. Where such Judge is not the District Judge having jurisdiction over the Nazareth concerned he shall report such delay to such District Judge in the absence of satisfactory explanation.

XIV. At the close of each day, every Central and Deputy Nazir shall enter in the Register B the number of processes distributed during the day and the number of peons remaining unemployed after the distribution.

XV. The return of service shall ordinarily be verified by affidavit, and, under Section 197 (b) of the Code of Civil Procedure, all Nazirs and Deputy Nazirs are hereby empowered to administer the oath to any process-server. Such affidavit which should state the place, manner, and date of service may be read at the hearing and used as proof of service.

XVI. When any person has been arrested, or movable property seized, by a process-server of an outlying Court under a warrant issued by a superior Court, the process-server shall forthwith bring such person or property to the station of such Court and deliver him or it to the Central or Deputy Nazir, as the case may be, provided that this rule shall not apply to property not required to be brought to the Court-house.

Such Central or Deputy Nazir shall immediately give the process-server a receipt and send him back to his own Court, and shall produce such person or property before the Court which issued the process.

When money shall have been recovered upon any such process, it shall be received by the outlying Court, and duly transmitted, together with the process, to the Court concerned: or credited to such Court's Batta Account, sending immediate notice of the same that the Court concerned may pay the judgment-creditor out of the batta accumulations.

XVII. A permanent advance of Rs. 500 will be made to each Central and Rs. 200 to each Deputy Nazir for the batta of witnesses, &c. The amount of batta notified on each process sent to the Nazareth for service will be paid out of it unless in special instances moneys are sent along with process, in which case the amount should be credited in Register F as soon as received.

The Chief Court may, at its discretion, increase or reduce the permanent advance of any particular Central or Deputy Nazir.

All moneys received, disbursed or remitted by the Central or Deputy Nazir shall be at once entered in his cash book F (Form annexed) of Nazir's account current of Permanent Advance.

XVIII. On or before the 6th of each month or whenever a sum of Rs. 50 or more is due by any Court, the Central or the Deputy Nazir (as the case may be) shall send to the Court concerned a bill in Form E hereto annexed showing the account between them.

The Head Ministerial officer of each Court shall on receipt of the bill carefully check it with reference to his A Register, object to items not admissible in the remark column and prepare an extract of such items with details. He shall total the remaining items and pass the same for payment and send the bill together with the extract of objections to the Court Nazir. The latter shall, after debiting the passed items individually in his cash Register No. X, forward the amount together with the passed bill and the extract to the Central or Deputy Nazir who will endorse receipt of money on the bill and forward it to the Court Nazir retaining the extract for further action.

The amount due to each Central or Deputy Nazir of an outlying station must be remitted through the Government Treasury, if there is a treasury at the outlying station, and if not, by a Postal Money Order, the cost of which may be charged in the Contingent Bill.

XIX. The presiding Judge of any Court may, for any sufficient reason, at any hour of the day, transmit a process for emergent execution, and it shall be the duty of the Central or Deputy Nazir (as the case may be), on receiving such process signed by the Judge, to make immediate arrangements for its execution.

In a case of very special urgency, the presiding Judge may deliver any such process to one of the process-servers in attendance on his Court for immediate service or execution.

XX. The presiding Judge of any superior Court may direct, on the application of the party applying for any particular process which would ordinarily be sent for service to an outlying Court, that it be served or executed by a special process-server from head-quarters: provided that the pay of such process-server at the rate of 4 annas a day for a peon or 8 annas for an Amin, for the time he is likely to be employed on such duty, be paid in advance; and the Judge may, for any sufficient reason, direct that such extra charge be costs of the suit or proceeding.

XXI. Except for very special reasons, which must be recorded in writing, no Court shall direct, under Section 349, that a judgment-debtor be left in the custody of a peon, unless a second peon is deputed to assist him and the pay of both, at 4 annas a day for each up to the time fixed for the adjourned hearing, be paid in advance.

Payments under this and the preceding rule shall be made in Process Service stamps.

XXII. Unless the Chief Court shall otherwise direct, upon due cause being shown, the number of amins and peons to be employed under any Nazir or Deputy Nazir shall be sufficient, and no more than sufficient, for the execution of not less than 150 processes a year by each amin and not less than 400 processes a year by each peon: provided that three peons for each Court shall be told off in rotation for ten days at a time to attend the Court to help to keep order and guard the Court-house and to be available for emergent processes under Rule XIX.

XXIII. In calculating the number of processes, if more than one of the same description have been issued on behalf of the same party at the same time in the same suit or proceeding and executed in the same town or village, the first only shall be reckoned as a full process, and each subsequent set of three or part thereof shall count as but one process, whether executed by one or more peons. Three processes will be counted for each emergent process and one for each day that a peon is in charge of a judgment-debtor or engaged on any special duty.

XXIV. At the end of each month every Central and Deputy Nazir shall prepare a statement showing the total number of processes calculated as above executed by each amin or process peon during the month, noting also the number of processes declared by the several Courts as emergent and shall submit the same to the District Judge. The District Judge shall forward the same in original to the Chief Court for perusal and return.

The District Judge shall reduce the number of peons in the Central Nazareth, or any outlying Court, whenever the average number of processes for each man (exclusive of those allowed under Rule XXIII to be in attendance in the Courts) falls short of the prescribed minimum by more than ten per centum, provided that if sufficient cause appears for lowering the minimum, he may report the matter for the orders of the Chief Court.

District Judges will forward to the Chief Court a monthly return of receipts and disbursements on account of the service of processes showing the number of processes arrived at in the manner laid down in Rule XXIII, separately of amins and peons excluding only those on which no action has been taken by the peon or amin, owing to the petition having been compromised or withdrawn or for any other reason, after the process has been issued. The processes issued to amins will comprise all processes for attachment or sale, or delivery of possession of property, movable or immovable and certain warrants of arrest. Those of peons will include all summonses, notices, written orders and ordinary warrants of arrest and the simpler forms of injunction and proclamation.

XXV. The fees chargeable for serving and executing process issued by the Civil Court shall be:—
